

Dear Ursula Ochs Mam.

I want to say is all thankyou  
for everything Mam. Every thing that  
you did for me. Today I am here  
servicing The Old Capital Secondary  
School (OCSS) because of you.

And please say hi to your family  
members. Don't worry about the children  
here. They are very happy also working  
hard in their studies. I am with them  
like their parents and helping them in  
education too.

Sincerely yours

Sobita Ale.
