

Hello, my name is Mahendra. I am 20 years old and come from Amppipal.

My dream is to be one of the best pharmacists in my country.

I study pharmacy at Chitwan Medical College in a dual education system. I am the best in my class and have passed all examinations with excellent marks.

My hobbies are playing the flute and enjoying nature.

I hope that you all will support me in reaching my career goal.

Mahendra Neupane
