

Hi, I am Zainab Khatun. I am 13 years old and come from Amppipal.

Now, I study in grade VII at The Old Capital Secondary School (OCS) in Gorkha. I am second best in my year.

By the help of Direkthilfe Nepal e.V., I have got this grand opportunity to study here.

My aim in life is to be a doctor and to serve the poor patients of my village. In my free time I love planting trees and flowers and my hobby is reading story books.
